HOW DO I RECOGNIZE HUMAN TRAFFICKING?

The Survive and Thrive Advocacy Center (STAC) has created an **anti-human trafficking training program** called **STACPRO**. This program is a **free, online, on-demand training**, funded by Leon County and the City of Tallahassee, designed specifically to empower businesses, workplaces, and employees with greater knowledge about how to recognize and respond if they suspect sex and labor trafficking in our area.

BE PART OF THE SOLUTION

With the community's support, STAC is building a network of people and organizations who stand with survivors and work together to prevent human trafficking. Please join us on Monday, October 23rd from 6-7:30pm in the Parish Hall at St. Peter's for a customized in-person training session for the faith community!

INTERNATIONAL: MOTORCYCLES FOR CLERGY IN UGANDA UPDATE! | GOD IS GOOD! Two years ago individuals from St. Peter's donated 13 motorcycles for priests in the South Rwenzori Diocese. These incredible gifts have allowed the priests to reach thousands of people for Christ who live throughout the staggering mountain range within the region. During our September 2023 Mission to South Rwenzori, we were personally

able to see the unbelievable difference that these motorcycles make when we traveled on the rocky dirt paths to one of the churches there. While we were there, we were presented with the need for 10-12 additional motorcycles to help the diocese reach Muslims in remote regions, check on our Orphans and Vulnerable Children sponsored through St. Peter's, and to more regularly provide church services and discipleship to the parishes and sub-parishes there. This need was presented at our African Tea just a few weeks ago and we are happy to announce that the 12 additional motorcycles have **ALREADY** been funded! Thank you, Jesus, for your continued generosity in and through St. Peter's Anglican Cathedral!

God Uses a Gift and a Letter to Change Lives

As a 7-year-old in Mongolia, Jargalmaa (pictured left) described one particular day as “unexpected.” After school, her teacher invited her to a church where she received her very first gift! This Operation Christmas Child shoebox gift included, among other fun toys, stationery, and a set of hairclips. Inside, she also found a letter that said, “You are valuable and so loved by God.” Jargalmaa cherished this message because her parents and grandparents had never told her that they loved her.

Jargalmaa went on to participate in The Greatest Journey discipleship program where she especially appreciated the lessons about God as Creator. Later in 10th grade, she accepted Jesus as her Lord and Savior. Through her testimony, five of her family members and two close friends also made this life-changing decision.

Now 15 years after receiving her shoebox gift, Jargalmaa, her husband, and two young children (pictured above) have recently moved to a new community where they are ministering to youth in hopes of starting a church.

“I would like to challenge people who are preparing shoebox gifts to also write a letter showing God’s love,” Jargalmaa said. **“What’s written there may be very simple, but those simple words could completely change somebody’s life.”**
